SIR,

I have the honour to state that a sum of Rs.5,000/- is provided inthe current year's sanctioned budget estimates of this Municipality, for expenditure connected with the Sewage Farm in Mysore as per accompanying copy of statement of details furnished by the Economic Botanist & Superintendent of Government Gardens, with his letter No.1207 dated 1st May 1925. It will be noticed there from that this provision includes the pay of a clerk on Rs.25 per month proposed to be appointed to cope with the clerical work of the Farm.

A clerk was therefore entertained from 1st November 1925. The Government Local Auditor has not admitted the pay bill of the clerk for the reason that the appointment requires the sanction of Government.

I therefore request that you may kindly obtain the sanction of Government to the appointment of a clerk on Rs.25 a month, for which provision exists in the budget as stated above.

I have the honour to be.
Sir,
your most obedient servant,

I.	Establishment:-			* The increase under establishment charges is due to the appointment of a clerk newly proposed to be employed as he is absolutely necessary to cope with the large amount of clerical work on the Farm. The cost was hitherto met from cooly labour for cultivation works chargeable to Sale proceeds. A proportionate decrease is made under temporary cooly labour to meet the pay of the clerk proposed. Hence the total Budget figures are not increased but only adjustments are made within the budget allotment. Approval of the Municipal Council is to be obtained fof the employment of the clerk newly proposed.
